Shape Your Future - Go One Better

13th November, 2023

Dear Parent/Guardian

Oberon High School is looking forward to another great year of teaching and learning and would like to advise you of Oberon High School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support.

Within our school this support allows us to offer a wider, more enhanced experience above and beyond what the government funding covers, allowing students to shape their future and go one better.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely

Tim McMahon
